# P A R K S

## C E N T R A L P A R K

Central Park is a must-do on everyone's New York itinerary. It is the lungs of this congested metropolitan city. This huge park is half-mile wide and 2.5 miles long. There are also some other activities to explore.

## G R A N D C A N Y O N

The Grand Canyon is present in the Yellowstone National park in Arizona, USA. The canyon walls glow in the late afternoon sun, revealing hues of orange, red, yellow and everything in between. This incredible landscape has been carved out by the Colorado River, seen in the distance far below.

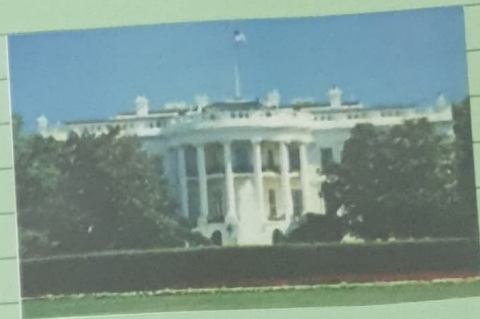

# MONUMENTS

## STATUE OF LIBERTY

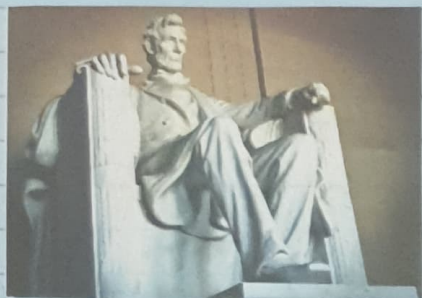

The statue of liberty remains a world-famous symbol of freedom. It is one of the largest statues standing just under 152 feet from the base to the torch, and weighs approximately 450,000 pounds.

## WHITE HOUSE

The white house is the official residence of the President of the United States. It was the home of every president except George Washington. It was originally built by James Hoban in 1792.

# THE LINCOLN MEMORIAL

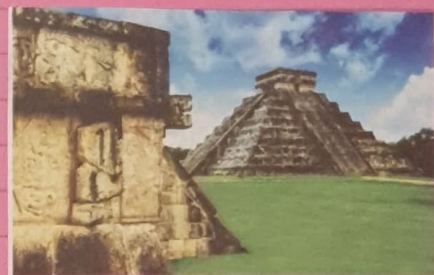

Since its completion in 1922, the Lincoln Memorial has been a scene of a number of historic events. Martin Luther King Jr. delivered his famous "I have a dream" speech from the memorial steps.

# 9/11 MEMORIAL

The World Trade Center's twin 110-story towers were destroyed by suicide piloted jetliners. The ground was used to build a memorial which has information on this incident.

# CHICHÉN ITZÁ

The magnificent Mayan city of Chichén Itzá is one of Mexico's most visited archeological sites. Also of interest are the Mayan Chacmols holding their sacrificial vessels.

# THEME PARKS

## WALT DISNEY WORLD

For the ultimate experience,  
there is no place quite  
like Disney World.  
Millions of visitors flock  
here to enjoy the park.

## UNIVERSAL STUDIOS

Universal Studios is  
the highlight for most  
people who want the  
ever-changing selection  
of rides, which range  
from simulators to  
roller-coasters.

# WONDERS OF NATURE

## NIAGRA FALLS

Niagra falls is Canada's most famous natural attraction. These massive falls drop approximately 57 meters.

## GROUSE MOUNTAIN

Grouse mountain offers an unmatched view in clear weather. It also has the famous trail called the Grouse Grind.

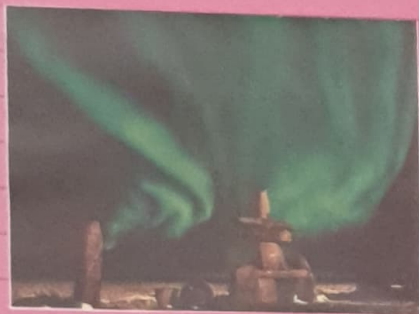

## WHALE WATCHING

The waters off Vancouver's coastline are an excellent place to see whales from March to October. That is the best time to do so.

# CATCH THE AURORAS, CANADA

In Churchill Canada, the auroras are seen very frequently from January to March. That is the best time to come.
